

# Midweek Meeting Announcements

Date: **March 10, 2022**

CBOE's Initials: JJ

**NOTE:** All announcements should first be approved by the Coordinator of the Body of Elders.  
Please read these announcements to the congregation.

Please take note of the following announcements:

## 1. **Adding and Removing Memorial Invitation Electronically**

Last week an announcement was made regarding using the Memorial Invitation during the Campaign. Please take note as Brother Quardrell Jones demonstrates how to add and delete the invitation using JW Library's "Favorites" section. You are encouraged to follow along.

## 2. **Resuming In-Person Meetings**

No doubt you have noticed the announcement from the branch office regarding resuming in-person meetings at the kingdom hall. The elders are awaiting further instructions before proceeding. Keep in mind that any arrangements to resume meeting at the kingdom hall will be loving and considerate.

## 3. **News Media**

We have been made aware that government officials, journalists, or other interested parties have been contacting the Brothers to inquire on how Jehovah's Witnesses are caring for their fellow believers who have fled Ukraine. These officials have also tried to interview a refugee or their worried family members. As a reminder, if you are approached by someone from the news media asking for your feedback, please direct all questions to the elders, preferably, without providing comments on the matter. The elders will give further direction if necessary.

## 4. **Literature Requests**

The literature order will be submitted by the 11th (tomorrow). You may submit your orders to Brother Balfour.

5. This is to let you know that Brother Sappington is in Jefferson Hospital. More information will be forthcoming.

## 6. **Additional Auxiliary Pioneers:**

- Sylvia Brooks (March and April)
- Mavis Herring (April and May)
- Roxanne Joyner (March through September)

## ***Continuous Auxiliary Pioneers:***
