

# Midweek Meeting Announcements

Date: March 31, 2022

CBOE's Initials: JJ

**NOTE:** All announcements should first be approved by the Coordinator of the Body of Elders.  
Please read these announcements to the congregation.

Please take note of the following announcements:

## 1. Resuming In-Person Meetings:

"In preparation for resuming in-person meetings and out of concern for the personal safety of those who will attend meetings in person, we wish to share a few kind reminders. All are strongly encouraged to wear a mask when attending meetings at the Kingdom Hall. If you (1) display cold or flu-like symptoms or (2) have been exposed to or tested positive for COVID-19 within the past ten days, please tie in to the program by videoconference. Even if physical distancing is not required by the local authorities, all should be respectful of each person's decision regarding personal contact, such as shaking hands. Jesus stated: 'Just as you want men to do to you, do the same way to them.' (Luke 6:31) Thank you for your cooperation."

## 2. In-Person Meeting Times:

In-Person meeting times are as follows:

- Weekend meetings = 12:30pm
- Mid-week meetings = 7:30pm.
- Field Service on Sundays will be at 10:00am on Zoom. Other times for field service will remain the same and will continue to be held over videoconference until further notice.
- Additionally, there will be two other congregations that will temporarily meet at this location—one of them in our Kingdom Hall. Our meeting times are not affected at this point.

## 3. Memorial Celebration:

As a reminder, our Memorial celebration will be at our kingdom hall at 9:15pm on Friday, April 15th. Please do not enter the parking lot before 8:45pm to avoid congestion and to avoid irritating the neighbors. Additional information will be shared soon.

## 4. Field Service Reports:

This is the end of the month. Please submit your field service report by the 5th of the following month, even if the number is "0." Group overseers are reminded to make sure field service reports for all in their groups are consistently submitted by the 5th of each month.
